

STATE Roster

It is up to each club to make sure that the coach has an up-to-date **STATE signed Official roster and player cards**, downloaded from Gotsport **prior to the coach leaving for the match**. There is no Golden Rod to update this year. This means that each week a new roster may need to be downloaded and the coach should they have a current roster since it may have different player information. **A TEAM MAY NOT PLAY IF YOUR DO NOT RECEIVE ONE OF THESE**. The Official Roster has three parts that are of interest. The top section has league and bench personnel info.

Do not let anyone play without receiving one of these from a team.

The center referee and/or designee from the assigned referee team checks in the players from both teams making sure all player passes and bench personnel passes are present and they match the **OFFICIAL ROSTER**. Not on the roster/No pass - no play.

GAME Reporting

Following the match, the CR fills out the game report noting final score, any cautions or send offs issued and any significant injuries/incidents and updates all information including that required in a supplemental **ONLINE**.

SIT-OUTS

All sit-outs are the coach's responsibility to document. The coach will present his **GAME CARD** and if a player is sitting out match, so notes this to the center referee and makes sure the CR signs the coach's copy of the **GAME CARD** and acknowledges the sit out. **It is still the responsibility of the coach to alert the CR of a sit-out. The player(s) sitting out the match DO NOT have to be present.** The CR then immediately gives the signed **GAME CARD and game PASSES** back to the coach.
